

How we work together to Change Lives!

Donate your gentle used items to your local arc Thrift stores

Your donation to arc Thrift stores is not merely about parting with unwanted items; it's about making a meaningful contribution to the lives of people with disabilities. Your donation creates a significant impact on the lives of individuals within your community.

Meaningful employment for individuals with disabilities

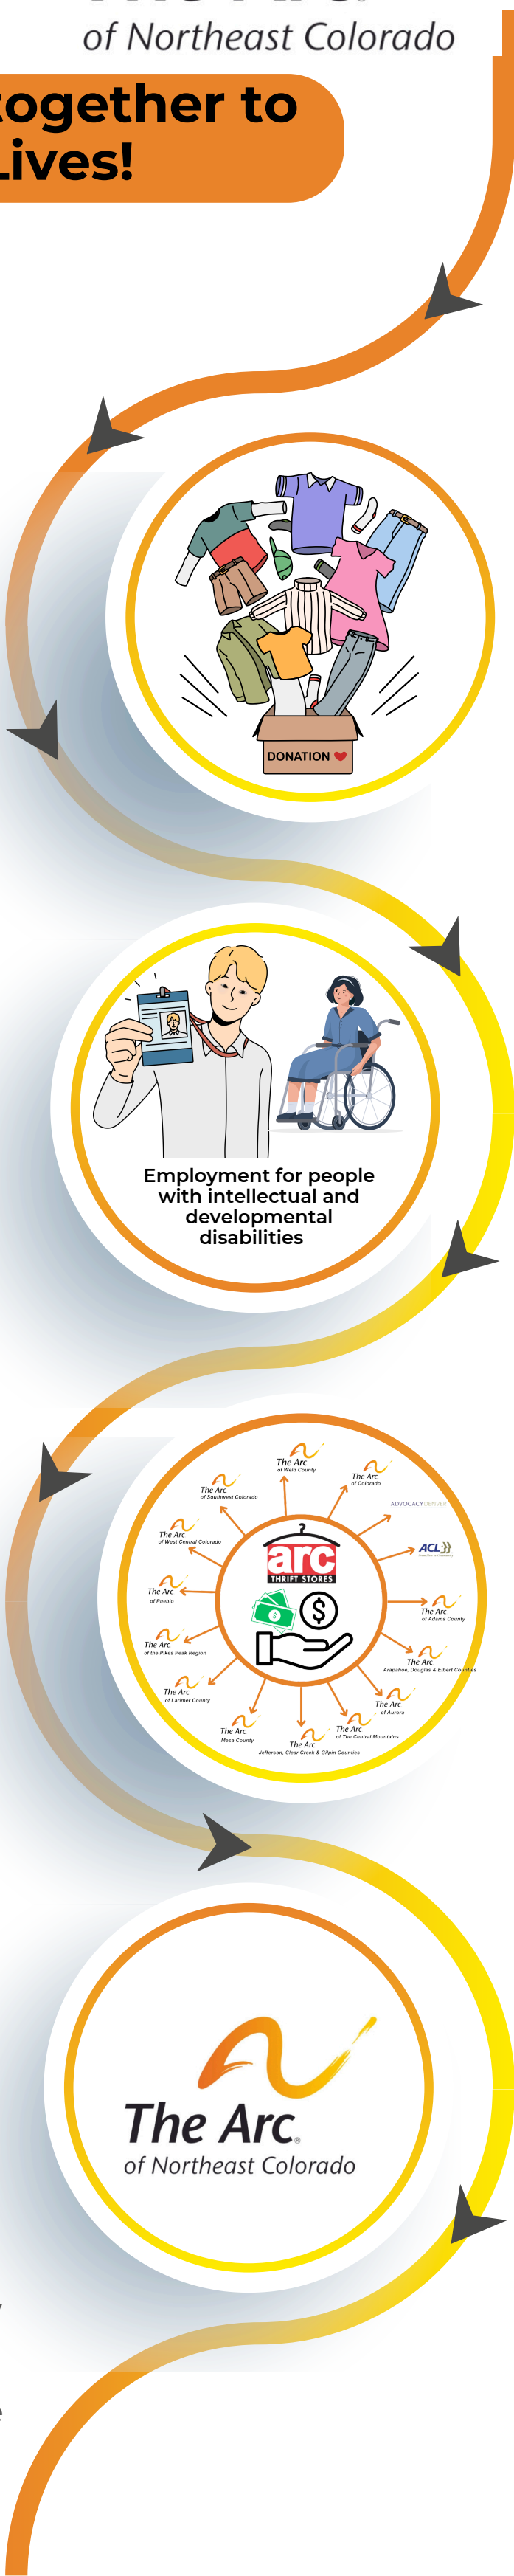

The arc Thrift stores go beyond supporting the community; they also provide meaningful employment for over 450 people with intellectual and developmental disabilities. As one of Colorado's largest employers of individuals with these disabilities, your donations help create a more inclusive job market.

Proceeds make BIG Impact!

The proceeds generated from the sale of items at arc Thrift stores are redistributed to support various chapters of The Arc across Colorado. These funds are strategically allocated to enhance initiatives and operations within all chapters of The Arc throughout the state, including The Arc of Weld County. Since its modest inception, arc Thrift has contributed millions of dollars in mission-critical funding, enabling the chapters to collectively advocate for countless individuals with intellectual and developmental disabilities across Colorado.
